Annex 1

Country Profile: FP2020 Focal Point Team & In-Country Coordination Solomon Islands 2018

List of Focal Points	Government	Nancy Pego
	Donor	Dr Shilu Adhikari
	Civil Society	Ben Angoa
	Youth Rep	TBC
<p>FP Stakeholders (institutional and/or individual)</p> <p><u>Note:</u> Please list key FP stakeholders e.g.:</p> <ul style="list-style-type: none"> - Government agencies with FP in their mandate - Civil society organizations (national and international) working on FP in country - Multi-lateral and donor agencies working in FP - Youth organizations - etc. 	<p>MHMS SIPPA Joint UN UNFPA DFAT SINU FP/SRH Stakeholders Committee WHO UNICEF MEHRD</p>	

CURRENT MECHANISMS FOR IN-COUNTRY COORDINATION of FP work (beyond Focal Points)				
Mechanism	Convening/ Coordinating body	Members	Frequency <i>(monthly, quarterly, semi-annually, etc.)</i>	Notes on efficacy <i>(How efficient & effective are these?)</i>
e.g. Multi-stakeholder consultations	FH Committee		Ad hock quarterly 4/year	Need to be strengthened, Include CSO (Ben) and Youth rep
e.g. FP2020 focal points meeting	FP2020 TWG	All stakeholders and focal points	Monthly but this needs to be strengthened and communicated well to our leaders at all levels	After our appointment was done last month August 2018 and the team meets weekly in preparation for this Nepal workshop, Possibility to include FP2020 in meetings through Skype and include appointed Youth Rep
<p>Please list additional opportunities to improve coordination:</p> <ul style="list-style-type: none"> ▪ TOR for focal point committee (FP2020) concept note-chairman should be rotated amongst focal points ▪ Budget and work-plan for the FH committee

Funding process 2. Timely execution of funds 3. UNFPA Funds technical support

Summary of Costed Implementation Plan (CIP) – <i>if applicable</i>
<p>Insert your country's CIP priorities here (from existing documentation)</p> <p>Prioritized areas:</p> <ul style="list-style-type: none"> ✓ FP 2020 analysis and assessments ✓ TA support ✓ Budget

KEY CHALLENGES AND BLOCKAGES (e.g. operational, technical, political)
<p>Commitment//CIP priority x</p> <ul style="list-style-type: none"> ● Challenge 1-operational budget ● Challenge 2 Gap between replacement from –CSO and MHMS {George and Betty} ● Challenge 3 Timely technical guidance

What **actions** are required to tackle the root causes for the identified challenges?
 Where does the greatest opportunity stand to influence the system, overcome resistance and accelerate changes?

<p>What is needed in order to tackle <u>the root causes for the identified challenges/blockages</u>? Based on your assumptions about what could work well and what will not, think about all possible actions/interventions.</p>	
Commitment	
Root causes	Actions/interventions to be taken
<p>*System *Financial *Process</p>	<p>1.1. action/intervention-Advance planning 1.2.ongoing Discussions-Planning team 1.3.Quarterly review {AOP} MHMS</p>
Commitment	
Root causes	Actions/interventions to be taken
<p>*Gap in delayed replacement</p>	<p>2.1. open discussion 2.2.Proper handover</p>
Commitment	
Root causes	Actions/interventions to be taken
<p>*Timely technical guidance</p>	<p>3.1. action/intervention</p>
<p>How can all focal points and other stakeholder's best leverage their influence to support these interventions to accelerate progress? (Refer back to the stakeholder list above)</p>	
<p>Action 1.1: Family health committee. Action 1.2: Establishment of committee {AOP} 2019 Action 1.3: FP situation analysis to feed into Policy Action 2.1: Policy Briefs-Policy Financing.</p>	

4.4. To what extent are these interventions focused on the following three themes of the workshop? Please list those that you would like to discuss/learn more (from other countries' experiences and/or technical partners) at the October workshop.

<p>1. Strengthening leadership / improving political will</p>	
<p>2. FP financing</p>	
<p>3. Reaching youth and adolescents a. Adolescents b. Youth</p>	<ul style="list-style-type: none"> ▪ FLE programs {MHMS in partnership with MEHRD} In schools ▪ Peer education {MHMS and Stakeholders} UOS ▪ CEBD {SIPPA}
